# 8<sup>th</sup> Solution Partner Conference for SIMATIC PCS 7 Specialists

## SIMATIC PCS 7 Version 8.2

We cordially invite you to join us for the 8<sup>th</sup> Solution Partner Conference for SIMATIC PCS 7 Specialists in Karlsruhe.

For providing you information about SIMATIC PCS 7 Version 8.2 on time and straight from the source, this meeting will take place shortly before the release of the new version.

As a manager and expert, you will get a summary of SIMATIC PCS 7 V8.2 and its highlights as well as current information about the Solution Partner Program. Additionally, you will have the opportunity to discuss your requirements with product managers, marketing and PCS 7 experts and the Solution Partner Team, as well as share your knowledge and experience with other participants from Europe, the Americas and other overseas countries.

As an expert, you will also have the possibility to work live with the new system, to learn about the new functionalities as well as test them.

We have set up 27 workstations on which you can work on topics such as SIMATIC Batch, SIMIT Simulation Framework, Libraries and many more, whilst our experts provide guidance.

You can look forward to informative days – as we look forward to your participation!
